

Divine Order LLC Quick Assessment

How are you managing things right now?

Respond to the following statements with “yes” or “no” and be honest.

Yes/No	Statements
	Do you feel your house or a particular room or rooms in your house are out of control?
	Are you frustrated or embarrassed by the amount of clutter in your house?
	Have you ever bought something and then found that you already had the very thing you just purchased?
	Do you feel all your “stuff” is ruining your ability to enjoy and function in your home?
	Are the rooms in your house difficult to use because you have to work around all sorts of stuff?
	Have you ever known that you had something, but had no idea where it was or couldn't find it?

Count the number of “yes” responses:

- **1 - 2:** You may be able to handle things on your own and just “Do It Yourself (DIY)” with some self-help information, organizing resources, and tips.
- **3 - 4:** You may require some help organizing and building habits that will help make your life easier and more functional. Contact me and let's talk about it and see if I'm the organizer for you.
- **5 - 6:** You definitely need some professional organizing help. Contact me and let's talk about it and see if I'm the best organizer to help you. If I am not the best one to help you at this time, I will certainly give you the names of some other organizers who may be better suited for your needs.
